### Application by LRPCE to Europa Forum 2021 in Thessaloniki

**Topic:**

In the unlikely event that circumstances arise where Europe could find itself with a similar situation to 2020, LRPCE requests the flexibility to take appropriate action for the benefit of the Lions of Europe, however it should advise member countries through their leadership regularly as circumstances change or develop

**Explanation:**

During the global pandemic Lions learnt many innovative ways to meet, serve and educate. Europa Forum Archivist and Advisor spent many hours contacting 41 member countries to agree that the host Thessaloniki should be able to withdraw from their appointed year 2020, thereby avoiding serious financial consequences.

This is now fully recorded within the Rules of Procedure as a record. Furthermore it was agreed that Thessaloniki move to host 2021, Zagreb 2022 and Klagenfurt 2023. Grateful thanks should be recorded to all host countries for their understanding and support .

LRPCE then formed a number of working groups which eventually led to the production of an outstanding European Lions Virtual Symposium.

**Financial impact:**

None
